RESPONSE TO NON-COMPLIANT AMENDMENTCommissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Office Action of February 23, 2006 noted that the response filed on December 22, 2005 was non-compliant because the faxed papers included a plurality of black lines appearing vertically on all the pages making the papers difficult to read. In response, Applicant is again faxing the amendment originally filed on December 22, 2005 via a different fax machine.

Respectfully submitted,
